# About Us

Skill Pill can help you to:

- **Re**think your soft skills offering
- **Re**connect with your learning population
- **Re**discover the power of digital learning

Our digital learning library specialises in business performance support: leadership, management, sales and personal effectiveness. Research has shown that our design methodology helps double the level of learning retention as well as positively impacting desired behaviours by 10-20%.\*

Our content is easily mapped against curriculum needs and is optimised for on-the-go consumption. Additionally, all Skill Pill content integrates fully with any SCORM-compliant LMS or via SSO.

\*case studies available on demand

# Language Options

The Skill Pill team are experts in understanding the learning as well as the technical challenges in rolling out digital learning. Both the quality of the content as well as the creative flair they bring has helped in the overall project success!

Skill Pill provides an outstanding solution which allows the participants to refresh their learning through vignettes of key learning points.

It has been a fantastic experience working with the team at Skill Pill and we hope we can continue this relationship with future micro-learning endeavours!

We were delighted with this campaign. It looked great and created a buzz among our sales teams. It had a real impact!

It's been fantastic working with Skill Pill. Your creativity and collaborative approach is genuinely refreshing - you make it very easy for us to work with you!
